

The Translational Team Incubators (TTI) Program Presents:

Refining and Communicating Your Research Idea

 **Wednesday, June 24th**
8:30 AM - 10:30 AM

 **Searle Seminar Room**
(Lurie 1-161)

In this highly interactive session, participants will explore the best ways to communicate their research ideas to potential Co-I (or MPI) towards the objective of forming new and productive research teams. Participants should come with a potential grant topic (in any stage of development).
